VISION 2026

Vision 2026 is Alameda County's strategic initiative to set a course for the next decade that anticipates community challenges and maximizes our ability to meet residents needs in a rapidly changing world. The Fiscal Year 2021-22 Final Budget, along with all other County activities, is guided by Vision 2026. For more information, visit vision2026.acgov.org.

ŤŤŤŤ

Thriving & Resilient Population

Individuals and communities are empowered to overcome adversities and supported so they can grow, flourish, and be self-sufficient.

Healthy Environment

Comprehensive use of environmentally sustainable practices that conserve natural resources while reducing pollution and harm to the environment.

Communities are safe and secure with accessible infrastructure, including open space and recreational facilities and have diverse and affordable housing available.

Prosperous & Vibrant Economy

Emergence, robust growth, and profitability of all businesses across a diversity of sectors that also creates employment opportunities for residents.

FUNDING GAPS

FUNDING GAPS SINCE ERAF (IN MILLIONS)

In 1992, the State Legislature enacted the Educational Revenue Augmentation Fund (ERAF), which shifts local tax revenues from cities, counties, and special districts to a State controlled fund to support its funding obligation to schools.

The estimated Fiscal Year 2021-22 ERAF shift is \$577 million, bringing the cumulative property tax shift from Alameda County to the State to over \$8.8 billion.
